DETAILED ACTION

Allowable Subject Matter

1. Claims 1-62, 64-67, 69-70 and 72-76 are allowed.
2. The following is an examiner's statement of reasons for allowance:
 - a. With respect to claims 1 and 36, the claims have been found allowable over the prior art because the prior art fails to teach or fairly suggest a method for NMR imaging of an investigation region of formation surrounding a wellbore, comprising the step of: applying a series of nonlinear magnetic field gradients to phase encode nuclei spins, wherein the strength of the magnetic field gradient applied is different from at least one previously applied field gradient in combination with the remaining limitations of the claim.
 - b. With respect to claims 51, 58 and 59, the claims have been found allowable over the prior art because the prior art fails to teach or fairly suggest a method for measuring a NMR property in an investigation region of earth formation surrounding a wellbore, comprising the step of: applying a series of nonlinear magnetic field gradients to phase encode spins, wherein the strength of the magnetic field gradient applied is altered from previously applied field gradients in combination with the remaining limitations of the claim.
 - c. With respect to claims 60, 66, 69 and 72, the claims have been found allowable over the prior art because the prior art fails to teach or fairly suggest an apparatus for determining a NMR property in an investigation region of earth formation surrounding a

wellbore, comprising the step of: at least one gradient means capable of producing a nonlinear magnetic field gradient and capable of producing different strength magnetic field gradients applied is altered from previously applied field gradients in combination with the remaining limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
